URBAN POST TABLE AS1428.2 SIDE ACCESS

URBAN POST TABLE AS1428.2 SIDE ACCESS

Post table AS1428.2 with side access. Hardwood, Duraslat™ XG, aluminium battens with a cast aluminium frame in powder-coat finishes or polished.

✓ **AS1428.2**

Description

Referencing Paris's famous wrought ironwork, curved cast aluminium framing is complemented by muscular hardwood, Duraslat™ XG or aluminium surfaces to offer a timeless Urban post table AS1428.2 with side access. It includes wheelchair accessible settings and this table meets Australian Standards 1428.2 for wheelchair access to the table side. Locally made with low lead times, pair with benches and seats from the Urban rrange to create comfortable and durable picnic settings, ideal for parks, public spaces, universities and shopping centres. Finishes include hardwood, Duraslat™ XG or aluminium colours and powder-coat finishes or a polished aluminium finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

How to Specify

Select your length
Select your batten finish
Select your frame finish
Select your fixing type

Sustainability

Certified Hardwood
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Care Instructions	Hardwood Cleaning Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth. Finish Our hardwood is finished with Sikkens Cetol BLX-Pro, a water-based, semi-transparent stain that protects the timber from weathering and enhances its grain and colour. To maintain, clean and lightly sand the timber, then brush on 2–3 coats of Cetol BLX-Pro in the direction of the grain every 12 months, or sooner if it starts to grey. Duraslat™ XG Cleaning Simply wash down occasionally. Do not use high pressure cleaners. Powder-Coat Cleaning Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	5-year warranty. View the warranty for more details.
Additional Comments	This table meets the guidelines of Australian Standards 1428.2 for wheelchair accessibility, and with correct installation, will aid in achieving project DDA compliance. Seating Options Urban Classic Bench Urban Classic Seat Pair with 1x 600mm wide and 1x full table length bench or seat. Botton + Gardiner recommends shimming seating to increase seat height with increased table height. Opt to add Umbrella hole + flange or outdoor power and GPOs to make your settings flexible outdoor working zones ideal for universities and schools.
