Avenue Form Cafe Stool PC Charcoal Top Detail

Avenue Form Cafe Stool PC Moonlight

Avenue Form Cafe Stool PC Charcoal

AVENUE FORM CAFE STOOL

Perch with purpose. Robust, balanced seating built for the energy of informal dining and high-turnover environments.

Description	**Avenue Form Café Stool** provides a simple, robust seating option that complements the café table and suits high activity outdoor areas. Avenue Form Café Stool continue the collection's refined design language in a more compact, social format. Defined by softened radii and a clean architectural profile, they bring cohesion to breakout zones, terraces, and hospitality settings. The rounded edge detail echoes the broader Avenue Form range, ensuring visual continuity across mixed seating environments. Designed to support informal dining and high turnover use, the café table anchors conversation while the matching stool delivers a balanced, ergonomic perch. Together, they create lightweight yet structured settings that activate edges, encourage pause, and add rhythm to outdoor spaces. Designed and manufactured in Australia, the café range is built for the demands of active public environments. Durable aluminium construction and a considered palette of powder coat finishes ensure long term performance, resilience, and seamless integration within the wider Avenue Form collection.

AVENUE FORM CAFE STOOL

Seating » Stools

Weight	3.98kg / 8.77lbs
Made In	Australia
Lead Time	Essentials collection finishes 4 weeks All Other Finishes 6-8 weeks
Assembly & Delivery	Shipped fully assembled.
Fixing Detail	Fixed only. Surface or Subsurface fixing by others. Anchors not included.
Care Instructions	**Care + Maintenance** **Powder-coat** Regular cleaning helps protect the long-term appearance of powder-coated finishes. Wash surfaces with warm water and a non-abrasive, pH-neutral detergent, using a soft cloth or brush, then rinse thoroughly. Avoid harsh solvents, abrasive cleaners and high-pressure washing, as these may damage the coating. In coastal, marine or industrial environments, increase cleaning frequency to minimise the build-up of salts and pollutants which can accelerate weathering.
Warranty	5-year warranty. View the warranty for more details.
Customisable	As this item is made to order locally, customisation is available on request.
