GRC CYLINDER PLANTER

GRC CYLINDER PLANTER

Cylindrical glass-fibre reinforced concrete planter with a smooth moulded finish for outdoor commercial projects. 2 sizes. 4 neutral tones.

Description	Featuring a contemporary design, the GRC cylinder planter is ideal for outdoor commercial projects where a touch of greenery is needed for visual appeal. Made from glass-fibre reinforced concrete with a smooth moulded finish and a recessed base detail, the planter is both hard-wearing and elegant. Available in 2 sizes and 4 neutral tones.
