CORINDI LITTER BIN SINGLE

Applications: **Indoor**

CORINDI LITTER BIN SINGLE

Corindi Litter Bin Single Detail

CORINDI LITTER BIN SINGLE

Seamless indoor solution for multiple recycling demands. Seamless Corian® body in a wide array of organic colours that is also germ resistant.

Description

Corindi Litter Bin Single offers a sleek and hygienic solution for general waste collection in contemporary spaces. With its distinctive reuleaux shape and seamless Corian® body, it provides a compact, design-led footprint ideal for interiors where form and function matter.

Also available in Double and Triple configurations, the Corindi range adapts easily to different capacity needs without compromising on style. Available in a wide selection of organic Corian® colours, the non-porous surface is easy to clean and germ-resistant.

The lid is offered in stainless steel.

How to Specify

Select your capacity
Select your body finish
Select your lid finish - stainless steel
Select your signage type
Select your fixing type

Sustainability

Certified Materials
We use non-porous solid surfaces that carry internationally recognised Environmental Product Declarations (EPDs).

Recycled Materials
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Finishes

Colours
Select from the Corian® colour range

Material

Options:

Care Instructions

Solid Surfaces | Corian®
Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean.

For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge.

Stainless Steel
Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning.

When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish.

Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits.

Use “Star Brite Rust Stain Remover” to remove tea staining and “Star Brite Chrome & Stainless Steel Polish” to protect the surface after cleaning.

Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired.

Never use abrasive materials such as scouring pads, steel wool or metallic scrapers.

For stubborn stains or where "deep cleaning" is required, a mild abrasive cleaner or rust remover may be required.

Warranty

5-year warranty. View the warranty for more details.

Customisable

Custom specify your Corian® colour to co-ordinate with your interior palette. Corian® colours are categorised A to E with A being the least expensive, basic Glacier White colour, and E being the most expensive organic colours.

Please be aware that the Corindi bin body has seamless joins when specifying organic Corian® colours with a grain. The grain will not pattern match across the join.
