Cottesloe Single

Cottesloe Single Litter Bin Detail

COTTESLOE LITTER BIN SINGLE

Modern, round, single litter bins for indoor multi-stream recycling. Choose from an array of stunning Corian® solid surface colours.

Description

Cottesloe Litter Bin Single is a beautifully unpretentious waste solution designed to blend effortlessly into any indoor space. Its seamless Corian® body, available in a wide array of organic colours, provides a smooth, germ-resistant surface with understated elegance.

Also available in Double and Triple configurations, Cottesloe allows you to manage your recycling channels in style while maintaining a consistent design aesthetic. The Single unit is compact and efficient, while the range offers smart features such as a folding central hinge on the Double and a gas-assisted lift on the Triple for safe, easy servicing.

Choose stainless steel or powder-coated lids finishes to match or contrast with your bin body—perfect for creating a cohesive interior environment.

How to Specify

Select your capacity - single, double or triple
Select your body finish colour
Select your lid finish - stainless steel or powdercoated
Select your signage type - vinyl or engraved enamel
Select your fixing type - loose or surface fixed

Sustainability

Certified Materials
We use non-porous solid surfaces that carry internationally recognised Environmental Product Declarations (EPDs).

Recycled Materials
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Frame	Thermoformed Corian® body with stainless steel, satin polished lid and plinth. Stainless steel lids are also available in a powder-coat finish to match or contrast with the body colour.
Signage	**Taper Chute.** Vinyl decals, standard or custom designs available. Vinyl signage on the double + triple bins is easily recognisable by customers at point of disposal. Vinyl decals can be removed and replaced in future for changes to waste streams.

COTTESLOE LITTER BIN SINGLE

Made In	Australia
Lead Time	6-8 weeks
Assembly & Delivery	Shipped fully assembled.
Fixing Detail	Freestanding or surface fixed by others. Anchors not included.
Care Instructions	Solid Surfaces | Corian® Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean. For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge. Stainless Steel Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning. When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish. Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits. Use “Star Brite Rust Stain Remover” to remove tea staining and “Star Brite Chrome & Stainless Steel Polish” to protect the surface after cleaning. Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired. Never use abrasive materials such as scouring pads, steel wool or metallic scrapers. For stubborn stains or where "deep cleaning" is required, a mild abrasive cleaner or rust remover may be required.
Warranty	5-year warranty. View the warranty for more details.

COTTESLOE LITTER BIN SINGLE

Customisable	Custom specify your Corian® colour to co-ordinate with your interior palette. Corian® colours are categorised A to E with A being the basic Glacier White colour, and E category being the most expensive organic colours. Please be aware that the Cottesloe bin body has seamless joins when specifying organic Corian® colours with a grain. The grain will not pattern match across the joins.
