PROSPECT TRUSS TABLE

Tables » Dining Height Tables

Robust truss table design. Battens in 5 hardwood and 5 Duraslat™ XG colours and an asymmetrical steel frame in 27 powder-coat or galvanised finishes.

Description Featuring striking asymmetrical forms and robust materials that are based on our competition-winning designs for the Western Sydney Parklands Trust, the Prospect truss table is ideal for parkland and urban environments. The functional and light appearance of the truss table features an asymmetrical steel frame that grounds the design. Finishes include 5 hardwood or 5 Duraslat™ XG batten colours and 27 powder-coat finishes or a galvanised finish to suit many outdoor spaces.

Made In Australia

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Duraslat™ XG

Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
