NEXUS 120° TABLE

Tables » Low Tables

Modern, modular, 120° table design. Mix and match multipurpose compact laminates, solid surfaces, and powder-coat colours to create a unique look.

Description Modest modularity and organic forms define the Nexus 120° table that can be integrated with other modular lounge seating elements, tables, planters and litter bins that interconnect in multiple ways to become a central meeting place in a range of indoor spaces. Suitable for shopping centre breakout areas, educational collaborative spaces, transit zones and commercial lobbies, Nexus is both highly versatile and flexible. Available in an extensive range of hard-wearing materials, finishes and colours, Nexus can be customised to suit your next interior project.

Made In Australia

Assembly & Delivery	Shipped fully assembled on pallets.
Fixing Detail	Freestanding only - loose on glides. Modules are fixed together by ratchet connectors.
How to Specify	Select your configuration or create your own Select your surface finish Select your frame finish
Care Instructions	<p><u>Multipurpose Compact Laminates Laminex®</u> A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex, or Ajax Spray n Wipe spray cleaners.</p> <p>Do not use strong acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.</p> <p><u>Solid Surfaces Corian®</u> Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean.</p> <p>For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge.</p> <p><u>Powder-Coat Finishes</u> Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.</p> <p>Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.</p> <p>Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.</p> <p>Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.</p>
