ALFRESCO TABLE

Tables » Dining Height Tables

Contemporary table design. Light in scale. Hardwood, Duraslat™ battens or slotted compact laminate with a slim-line steel frame in a range of finishes

Description Slim-line steel framing together with linear battens or slotted compact laminate provide the Alfresco table with a contemporary aesthetic that is light in scale. Battens in hardwood or Duraslat™. Frame finishes include satin polished steel or 27 powder-coat colours. As its name implies, Alfresco is suited to outdoor communal dining, ideal for educational or corporate campuses, bars, cafes, and restaurants.

Made In Australia

How to Specify

Select the standard size or specify your length, depth and height
Select your top finish
Select your frame finish
Select your fixing type

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Duraslat™ XG

Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Customisable

As this item is made to order locally, custom sizing is available and the top finish can be custom specified finishes such as - laminates, stone, Stratek 3D laminate, granite, Lightblocks, tiled and much more, please contact us for information.

Additional Comments

Hardwood is treated with a UV-resistant oil finish.
