STOKED FIXED TABLE BASE

Tables » Table Bases

Fixed table base with minimalist profile that is highly versatile and customisable. Steel base in 27 powder-coat colours or satin polished finish.

Description

Minimalist in profile, the Stoked fixed table base is a classic design that keeps rows of tables visually neat and tidy. Stoked is highly versatile and durable for high traffic environments, Locally made in-house and with a short lead time, Stoked is easily customisable, ideal for food courts, hospitality, education, streetscape, alfresco dining, rooftop bars, and work breakout spaces. The steel base is available in 27 powder-coat colours or a satin polished finish that can be paired with a range of table top shapes and finishes.

Made In Australia

Dimensions

Table base diameter: 193mm

Table height: 500mm, 695mm and 1020mm (+ top thickness)

Table top size: for stability in commercial projects, it is recommended that a dining table base is two-thirds the proportions of the table top.

Care Instructions

Multipurpose Compact Laminates | Laminex®

A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex, or Ajax Spray n Wipe spray cleaners.

Do not use strong acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.

Solid Surfaces | Corian®

Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean.

For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge.

Powder-Coat Finishes

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Customisable

Custom heights and powder-coat colours available on request. Top plates and construction can be customised to suit table top weight and size.

Additional Comments

Suitable for indoor and covered outdoor use.

For use in outdoor and in marine environments, the Stoked fixed table base is available on request.
