Avenue Form Cafe Table PC Charcoal

AVENUE FORM CAFE TABLE

Compact, durable solution for café and breakout areas. Softened radii and clean profile that echoes the entire Avenue Form collection bring cohesion to public spaces and hospitality settings.

Description

Avenue Form Café Table offers a compact, durable solution ideal for café and breakout areas, supported by reliable outdoor performance.

Avenue Form Café Table continue the collection's refined design language in a more compact, social format. Defined by softened radii and a clean architectural profile it brings cohesion to breakout zones, terraces, and hospitality settings. The rounded edge detail echoes the broader Avenue Form range, ensuring visual continuity across mixed seating environments.

Designed to support informal dining and high turnover use, the café table anchors conversation while the matching stool delivers a balanced, ergonomic perch. Together, they create lightweight yet structured settings that activate edges, encourage pause, and add rhythm to outdoor spaces.

Designed and manufactured in Australia, the café range is built for the demands of active public environments. Durable aluminium construction and a considered palette of powder coat finishes ensure long term performance, resilience, and seamless integration within the wider Avenue Form collection.

How to Specify

Select Powder-Coat colour

Sustainability

We locally source our steel and aluminium. It means we know it uses recycled content and is 100% recyclable.

Powder Coat

- **Bold**
- **Core**
- **Signature**
- **Solid**
- **Textured**

685mm (27") x 685mm (27") x 720mm (28")

Frame

Aluminium, powder-coated

Weight

10.02kg/ 22.09lbs

AVENUE FORM CAFE TABLE

Made In	Australia
Lead Time	Essentials collection finishes 4 weeks All Other Finishes 6-8 weeks
Assembly & Delivery	Shipped fully assembled.
Fixing Detail	Fixed only. Surface or Subsurface fixing by others. Anchors not included.
Care Instructions	**Care + Maintenance** **Powder-coat** Regular cleaning helps protect the long-term appearance of powder-coated finishes. Wash surfaces with warm water and a non-abrasive, pH-neutral detergent, using a soft cloth or brush, then rinse thoroughly. Avoid harsh solvents, abrasive cleaners and high-pressure washing, as these may damage the coating. In coastal, marine or industrial environments, increase cleaning frequency to minimise the build-up of salts and pollutants which can accelerate weathering.
Warranty	5-year warranty. View the warranty for more details.
Customisable	As this item is made to order locally, customisation is available on request
