Modular bench seating with contrasting finishes and folded forms. Battens in Duraslat™ XG colours and aluminium frame in powder-coat finishes.

Description Inspired by the Italian love of modern design, the Sorrento bench is as much at home in the public spaces of Chicago as it is on boardwalks of the Mediterranean. The contrasting finishes, folded forms, and modular bench design combine to create public spaces that draw the eye and challenge the status quo. Finishes include battens in Duraslat™ XG colours and an aluminium frame in powder-coat finishes.

We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.
