Timeless, classic bench. Batten top in hardwood, Duraslat™ XG, aluminium with an elegant cast aluminium frame in 27 powder-coat finishes or polished.

Description

Urban Classic Bench is a key piece from the Urban Collection, offering timeless appeal through curved cast aluminium framing inspired by Parisian wrought ironwork. Complemented by muscular hardwood, Duraslat™ XG or aluminium battens, this bench brings classic elegance to public settings.

With a choice of 5 hardwoods, 5 Duraslat™ XG colours or 3 aluminium tones and 27 powder-coat finishes or a polished aluminium option, it's a refined, durable solution for parks, campuses, streetscapes or civic spaces.

Urban Classic Bench in select finishes is part of b+g's **Essential Collection** delivering favourable pricing and leadtimes.

Select from polished aluminium and battens in hardwood blackbutt or Duraslat™ XG to qualify.

**Also available in alternate batten finishes (non-essential), though lead times will vary depending on your selected finish.*

How to Specify

Select your length
Select your batten finish
Select your frame finish
Select your fixing type

Sustainability

Certified Hardwood

All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials

We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Fixing Detail

Urban range fixed mounting options:
Threaded rod
Threaded rod + shims
Offset tab

Urban range freestanding use options:
Loose footpad
Loose glides

Care Instructions

Hardwood
Cleaning
Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling
Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Duraslat™ XG
Cleaning
Simply wash down occasionally. Do not use high pressure cleaners.

Powder-Coat
Cleaning
Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty 5-year warranty. View the [warranty](#) for more details.

Additional Comments

Local manufacture allows us to tailor the bench length, mitre the ends or use a hardwood species for your custom requirements.

Transverse battens, where the slat direction is across the bench depth is available on request to match the Urban Curved bench in hardwood and Duraslat™ XG finishes.

Optional skate stoppers available to discourage skater damage to your furniture.

This bench can be ordered in settings to meet the guidelines of Australian Standards AS1428.2 so will aid in achieving project DDA compliance.
