Modular seat with contrasting finishes and folded forms. Battens in Duraslat™ XG colours and aluminium frame in powder-coat finishes.

**Description** Inspired by the Italian love of modern design, the Sorrento seat is as much at home in the public spaces of Chicago as it is on boardwalks of the Mediterranean. The contrasting finishes, folded forms, and modular seat design combine to create public spaces that draw the eye and challenge the status quo. A striking asymmetrical cut-out design on the backrest is visible from all directions adding to the unique visual aesthetics of the seat. Finishes include battens in Duraslat™ XG colours and an aluminium frame in powder-coat finishes.

Additional Comments

The Sorrento backrest is perforated on both sides so the feature cut-outs are visible from all directions. To ensure easy cleaning, there is an open space below the backrest allowing debris pushed into the cut-outs to fall to the ground and be swept up. This is a nifty feature in areas which struggle with pigeons or seagulls.
