Applications: **Indoor, Outdoor**

TERRAIN CANTILEVERED SEAT

Contemporary wall-mounted seat. Solid, trapezoidal, hardwood battens in colours with a sleek steel frame in zinc-primed powder-coat finishes.

Description	The juxtaposition of solid, hardwood battens and a sleek steel frame is unified with trapezoidal design elements that add strength and visual appeal to the Terrain cantilevered seat. Finishes include hardwood and zinc-primed powder-coat colours. Terrain is a high-quality collection that adds a robust, contemporary feel to public spaces.
How to Specify	Select your batten finish Select your frame finish
Sustainability	Certified Hardwood All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system. Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable. Low Pollutants Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).
Powder Coat	Core Solid Textured Signature Bold
Dimensions	2100mmW x 630mmD Recommended installed seat height: 440mmH
Batten Type	Hardwood
Frame	Hot-dip galvanised or zinc-primed powder-coated steel
Made In	Australia
Lead Time	6-8 weeks

TERRAIN CANTILEVERED SEAT

Assembly & Delivery	Shipped fully assembled on pallets.
Fixing Detail	Cantilever fixed by others to a structural wall. Anchors not included.
Care Instructions	Hardwood Cleaning Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth. Finish Our hardwood is finished with Sikkens Cetol BLX-Pro, a water-based, semi-transparent stain that protects the timber from weathering and enhances its grain and colour. To maintain, clean and lightly sand the timber, then brush on 2–3 coats of Cetol BLX-Pro in the direction of the grain every 12 months, or sooner if it starts to grey. Powder-Coat Cleaning Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	5-year warranty. View the warranty for more details.
Additional Comments	Hardwood is treated with a UV-resistant oil finish.
