URBAN POST TABLE

Timeless post table design. Hardwood, Duraslat™ XG, aluminium battens with an elegant cast aluminium frame in powder-coat finishes or polished.

Description

Urban Post Table extends the Urban range with a matching design for group dining, study or rest spaces. Its cast aluminium frame supports a durable tabletop in hardwood, Duraslat™ XG or aluminium, offering strength and elegance in equal measure.

Choose from hardwoods, Duraslat™ XG or aluminium colours, and powder-coat finishes or a polished aluminium option to complement any outdoor setting.

Urban Post Table in select finishes is part of b+g's **Essential Collection** delivering favourable pricing and leadtimes.

Select from Polished Aluminium and battens in hardwood blackbutt or Duraslat™ XG to qualify.

**Also available in alternate batten finishes (non-essential), though lead times will vary depending on your selected finish.*

How to Specify

Select your length
Select your batten finish
Select your frame finish
Select your fixing type

Sustainability

Certified Hardwood
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

URBAN POST TABLE

Made In	Australia

URBAN POST TABLE

Lead Time	Essential Collection Finishes 3-4 weeks All Other Finishes 4-6 weeks
Assembly & Delivery	Shipped fully assembled on pallets.
Fixing Detail	Post fixed by others - surface, sub-surface or core-holed. Anchors not included.
Care Instructions	Hardwood Cleaning Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth. Finish Our hardwood is finished with Sikkens Cetol BLX-Pro, a water-based, semi-transparent stain that protects the timber from weathering and enhances its grain and colour. To maintain, clean and lightly sand the timber, then brush on 2–3 coats of Cetol BLX-Pro in the direction of the grain every 12 months, or sooner if it starts to grey. Duraslat™ XG Cleaning Simply wash down occasionally. Do not use high pressure cleaners. Powder-Coat Cleaning Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	5-year warranty. View the warranty for more details.
Additional Comments	Opt to add umbrella hole + flange or outdoor power and GPOs to make your settings flexible outdoor working zones, ideal for universities and schools.
