URBAN TRI TABLE

URBAN TRI TABLE

Unique tri table. Irregular hexagon shape. Hardwood, Duraslat™ XG battens with an elegant cast aluminium frame in powder-coat finishes or polished.

Description

Referencing Paris's famous wrought ironwork, curved cast aluminium framing is complemented by muscular hardwood or Duraslat™ XG surfaces to offer a timeless and unique Urban tri table. Featuring a unique irregular hexagon shape and striking slatted top design, the table creates a focal gathering point and is ideal for large groups. Finishes include hardwood or Duraslat™ XG colours and powder-coat finishes or a polished aluminium finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

How to Specify

Select your batten finish
Select your frame finish
Select your fixing type

Sustainability

Certified Hardwood
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Edge length - 1500mmW
Flattened corner length - 630mm

URBAN TRI TABLE

Batten Type	Hardwood Duraslat™ XG
Frame	Cast aluminium in a powder-coat or polished finish Post: powder-coated galvanised steel, colour to match frame specification or silver to coordinate with the polished aluminium finish
Weight	130kg
Made In	Australia
Lead Time	6-8 weeks
Assembly & Delivery	Flat pack assembly. Assembled on site. Some simple assembly is required to attach the legs prior to installation. Due to the weight of this item (130kg) the top will be delivered on a pallet with the legs separate. A forklift or lifting equipment (by others) is required to take delivery.
Fixing Detail	Post fixed by others - surface, sub-surface or core-holed. Anchors not included.

URBAN TRI TABLE

Care Instructions	Hardwood Cleaning Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth. Finish Our hardwood is finished with Sikkens Cetol BLX-Pro, a water-based, semi-transparent stain that protects the timber from weathering and enhances its grain and colour. To maintain, clean and lightly sand the timber, then brush on 2–3 coats of Cetol BLX-Pro in the direction of the grain every 12 months, or sooner if it starts to grey. Powder-Coat Cleaning Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	5-year warranty. View the warranty for more details.
Additional Comments	Opt to add umbrella hole + flange or outdoor power and GPOs to make your settings flexible outdoor working zones, ideal for universities and schools.
