URBAN CURVED CANTILEVERED BENCH

Curved wall-mounted seating. Hardwood, Duraslat™ XG, aluminium battens with an elegant cast aluminium frame in powder-coat finishes or polished.

Description

Referencing Paris's famous wrought ironwork, curved cast aluminium framing is complemented by muscular hardwood, Duraslat™ XG surfaces or aluminium surfaces to offer a timeless Urban curved cantilevered bench. The design removes the visual clutter of the legs for a more contemporary look and is ideal for seating off structural walls around plant beds and along walls. Finishes include hardwood or Duraslat™ XG colours and powder-coat finishes or a polished aluminium finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

How to Specify

Select your arc length
Specify your radius
Select your batten finish
Select your frame finish
Select your fixing type

Sustainability

Certified Hardwood
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Made In	Australia
Lead Time	6-8 weeks
Assembly & Delivery	Shipped fully assembled on pallets.
Fixing Detail	Fixed to a structural wall by others. Anchors not included.

URBAN CURVED CANTILEVERED BENCH

Care Instructions	Hardwood Cleaning Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth. Finish Our hardwood is finished with Sikkens Cetol BLX-Pro, a water-based, semi-transparent stain that protects the timber from weathering and enhances its grain and colour. To maintain, clean and lightly sand the timber, then brush on 2–3 coats of Cetol BLX-Pro in the direction of the grain every 12 months, or sooner if it starts to grey. Duraslat™ XG Cleaning Simply wash down occasionally. Do not use high pressure cleaners. Powder-Coat Cleaning Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	5-year warranty. View the warranty for more details.
Additional Comments	The Urban cantilevered curved bench is made to order to your specified radius to ensure a perfect project fit. As this item is made to order locally, custom lengths are available on request. Optional skate stoppers available to discourage skater damage to your furniture.
