Curved wall-mounted seating. Hardwood, Duraslat™ XG, aluminium battens with an elegant cast aluminium frame in 27 powder-coat finishes or polished.

|----------------|---|
| Description | Referencing Paris's famous wrought ironwork, curved cast aluminium framing is complemented by muscular hardwood, Duraslat™ XG surfaces or aluminium surfaces to offer a timeless Urban curved cantilevered bench. The design removes the visual clutter of the legs for a more contemporary look and is ideal for seating off structural walls around plant beds and along walls. Finishes include 5 hardwood or 5 Duraslat™ XG colours and 27 powder-coat finishes or a polished aluminium finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space. |
