Timeless wall-mounted bench. Hardwood, Duraslat™ XG, aluminium battens with an elegant cast aluminium frame in powder-coat finishes or polished.

Description

Urban Plinth Bench delivers structured, elevated seating with a contoured top for added comfort. Its curved cast aluminium framing and battens in hardwood or Duraslat™ XG create an elegant bench to mount along low landscape walls or plinths.

Add sophistication to schools, public gardens or community zones, and customise with hardwood or Duraslat™ XG colours and powder-coat finishes or polished aluminium. Pair with matching plinth seat and optional armrests to suit diverse needs.

Urban Plinth Bench in select finishes is part of b+g's **Essential Collection** delivering favourable pricing and leadtimes.

Select from polished aluminium and battens in hardwood blackbutt or Duraslat™ XG to qualify.

**Also available in alternate batten finishes (non-essential), though lead times will vary depending on your selected finish.*

How to Specify

Select your length
Select your batten finish
Select your frame finish
Select your fixing type
Add optional armrests

Sustainability

Certified Hardwood

All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials

We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Lead Time Essential Collection Finishes 2-3 weeks
All Other Finishes 4-6 weeks

Assembly & Delivery Shipped fully assembled on pallets.

Fixing Detail Post fixed by others - surface fixed or core-holed. Anchors not included.

Care Instructions Hardwood
Cleaning
Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling
Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Duraslat™ XG
Cleaning
Simply wash down occasionally. Do not use high pressure cleaners.

Powder-Coat
Cleaning
Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty 5-year warranty. View the [warranty](#) for more details.

Additional
Comments Optional armrests - Urban classic arched design or new contemporary
Accessible style to co-ordinate with the AS1428.2 Urban seat armrest.
