Timeless wall-mounted seat. Hardwood, Duraslat™ XG, aluminium battens with an elegant cast aluminium frame in powder-coat finishes or polished.

---

## Description

**Urban Cantilevered Seat** offers the same elegant aesthetic as the bench variation but with a compact footprint. Its curved cast aluminium frame supports hardwood or Duraslat™ XG battens, and it mounts neatly onto existing walls to maximise open space.

Designed for ease of cleaning and seamless integration in corridors, station platforms or outdoor walkways. Available in hardwood or Duraslat™ XG colours and powder-coat options or a polished aluminium finish.

Urban Cantilevered Seat in select finishes is part of b+g's **Essential Collection** delivering favourable pricing and leadtimes.

Select from polished aluminium and battens in hardwood blackbutt or Duraslat™ XG to qualify.

*\*Also available in alternate batten finishes (non-essential), though lead times will vary depending on your selected finish.*

---

## How to Specify

Select your length  
Select your armrest style and quantity (optional)  
Select your batten finish  
Select your frame finish  
Select your fixing type

---

## Sustainability

**Certified Hardwood**  
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

**Recycled Materials**  
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

**Low Pollutants**  
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

## Care Instructions

### Hardwood

#### Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

#### Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

### Duraslat™ XG

#### Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

### Powder-Coat

#### Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

## Warranty

5-year warranty. View the [warranty](#) for more details.

---

## Additional Comments

Local manufacture allows us to tailor the length, use a hardwood species to your custom requirements or Add On accessories such as memorial plaques and skate stoppers.

In the hardwood finish, this seat can be ordered with Urban accessible armrests to meet the guidelines of Australian Standards 1428.2, and with correct installation, will aid in achieving project DDA compliance. For more details, follow the link: [Accessibility info](#).

For AS1428.2 seats in other finishes, contact us for more information.

Mid armrests also available.
