# URBAN CANTILEVERED SEAT AS1428.2

Seating » Seats

Timeless wall-mounted cantilevered seat AS1428.2. Hardwood battens with an elegant cast aluminium frame in powder-coat finishes or polished.

✓ AS1428.2

**Description**

Referencing Paris's famous wrought ironwork, curved cast aluminium framing is complemented by muscular hardwood, to offer a timeless Urban cantilevered seat AS1428.2. With the new accessible armrests and correct installation, the design complies with AS1428.2 Accessibility guidelines for projects meeting DDA requirements making it ideal for council parks, shopping centres, outdoor university areas and aged care villages. Finishes include hardwood colours and powder-coat finishes or a polished aluminium finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

**How to Specify**

Select your batten finish  
Select your frame finish  
Select your armrest finish

**Sustainability**

**Certified Hardwood**  
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

**Recycled Materials**  
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

**Duraslat™ XG** is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

**Low Pollutants**  
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

**Powder Coat**

## Additional Comments

Important: Hardwood is the only finish we can achieve a 30mm radius to a 30mm thick front edge batten outlined in AS1428.2. Whilst all the other key AS1428.2 dimensional guidelines are still met with Duraslat™ XG, Aluminium and Alugrain battens you will need to speak to your accessibility consultant for project specific advice on meeting overall DDA compliance for your site. Contact us for more information.

Local manufacture allows us to tailor the length, use a hardwood species to your custom requirements or Add On accessories such as memorial plaques and skate stoppers.

Public spaces can be vulnerable to high levels of wear and tear or vandalism, replacement parts available as required.
