URBAN CLASSIC SEAT AS1428.2

URBAN CLASSIC SEAT AS1428.2

Timeless, classic seat AS1428.2. Hardwood battens with an elegant cast aluminium frame in powder-coat finishes or polished.

✓ **AS1428.2**

Description

Referencing Paris's famous wrought ironwork, curved cast aluminium framing is complemented by muscular hardwood to offer a timeless Urban classic seat 1428.2. Use as a free-standing seat, indoor or outdoors, with the new Accessible armrests to comply with AS1428.2 Accessibility guidelines, ideal for projects meeting DDA requirements. Finishes include 5 hardwood and 27 powder-coat finishes or a polished aluminum finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

How to Specify

Select your batten finish
Select your frame finish
Select your armrest finish
Select your fixing type

Sustainability

Certified Hardwood
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Care Instructions

Hardwood
Cleaning
Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Finish
Our hardwood is finished with Sikkens Cetol BLX-Pro, a water-based, semi-transparent stain that protects the timber from weathering and enhances its grain and colour.

To maintain, clean and lightly sand the timber, then brush on 2–3 coats of Cetol BLX-Pro in the direction of the grain every 12 months, or sooner if it starts to grey.

Powder-Coat
Cleaning
Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty

5-year warranty. View the warranty for more details.

Additional Comments

IMPORTANT: Hardwood is the only finish we can achieve a 30mm radius to a 30mm thick front edge batten outlined in AS1428.2. Whilst all the other key AS1428.2 dimensional guidelines are still met with Duraslat™ XG, Aluminium and Alugrain battens you will need to speak to your accessibility consultant for project specific advice on meeting overall DDA compliance for your site. Contact us for more information.

Local manufacture allows us to tailor the length, use a hardwood species to your custom requirements or Add On accessories such as memorial plaques and skate stoppers. Chat to us about your options.

Mid armrests also available.
