Timeless wall-mounted seat. Hardwood, Duraslat™ XG, aluminium battens with an elegant cast aluminium frame in 27 powder-coat finishes or polished.

**Description**

Referencing Paris's famous wrought ironwork, curved cast aluminium framing is complemented by muscular hardwood, Duraslat™ XG surfaces or aluminium surfaces to offer a timeless Urban plinth seat. It is a great solution for low walls to add comfortable seating zones. Optional armrests allows for easier access for elderly or mobility restricted members of the community, and also helps to obstruct skateboarders. Alternate with the Urban plinth bench to provide backed and backless alcoves. Finishes include 5 hardwood or 5 Duraslat™ XG colours and 27 powder-coat finishes or a polished aluminium finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.
