Timeless post seating. Hardwood, Duraslat™ XG, aluminium battens with an elegant cast aluminium frame in powder-coat finishes or polished.

Description

Urban Post Seat puts a modern spin on classic public seating. With curved cast aluminium framing, detailed batten profiles and gently arched armrests, it balances comfort with refined form. The post legs support flexible installation across a range of outdoor settings.

Select from hardwood or Duraslat $^{\text{\tiny M}}$ XG colours, finished in powder-coat shades or polished aluminium, to create a cohesive look in parks, campuses, and bus shelters.

Urban Post Seat in select finishes is part of b+g's **Essential Collection** delivering favourable pricing and leadtimes.

Select from Polished Aluminium and battens in hardwood blackbutt or Duraslat $^{\text{\tiny{IM}}}$ XG to qualify.

*Also available in alternate batten finishes (non-essential), though lead times will vary depending on your selected finish.

How to Specify

Sustainability

Certified Hardwood

All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials

We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Fixing Detail

Post fixed by others - surface, sub-surface or core-holed. Anchors not

included.

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oilina

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Duraslat™ XG

Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty

5-year warranty. View the warranty for more details.

Additional Comments

In the Hardwood finish, this seat can be ordered with Urban accessible armrest to meet the guidelines of Australian Standards 1428.2, and with correct installation and plinth setback, will aid in achieving project DDA compliance. For AS1428.2 seats in other finishes, contact us for more information.

Mid armrests also available.

Local manufacture allows us to tailor the length, use a hardwood species to your custom requirements or Add On accessories such as memorial plaques and skate stoppers.

Public spaces can be vulnerable to high levels or wear and tear or vandalism, replacement parts available as required.
