Timeless classic table design with circular top. Hardwood or Duraslat™ XG battens with a galvanised steel post frame in powder-coat finishes.

Description The Urban pop table is a fun addition to the Urban collection. Use flexibly with any items in our Urban furniture range to create small, fixed, fully external settings. Team with our curved benches, single Urban seats, or in front of cantilevered benches to create comfortable little seating alcoves where people can eat, absorb some sunshine or work outside. Finishes include hardwood or Duraslat™ XG colours and powder-coat finishes or a galvanised frame finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

Certified Hardwood
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).
