Description

Referencing Paris's famous wrought ironwork, curved cast aluminium framing is complemented by muscular hardwood or Duraslat™ XG surfaces to offer a timeless and unique Urban tri table AS1428.2. The design is ideal for large groups whilst still catering to wheelchair, prams and high chairs on the flattened 'corners'. This table meets the guidelines of Australian Standards 1428.2 for wheelchair access, and will aid in achieving project DDA compliance. Featuring a unique irregular hexagon shape and striking slatted top design, the table creates a focal gathering point for universities, schools, parks, and public spaces. Pair with benches and seats from the Urban collection to create comfortable and durable park settings. Finishes include hardwood or Duraslat™ XG colours and 27 powder-coat finishes or a polished aluminium finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.
