URBAN CURVED BENCH + PLANTER

Seating » Benches

Curved bench around planter. Hardwood, Duraslat™ XG, aluminium battens with an elegant cast aluminium frame in 27 powder-coat finishes or polished.

Description Referencing Paris's famous wrought ironwork, curved cast aluminium framing is complemented by muscular hardwood, Duraslat™ XG or aluminium surfaces to offer a timeless Urban curved bench design that fits round a planter. Ideal for outdoor and indoor use, they make great pause points, which are a more unique than your average bench that integrate with plants for a touch of greenery. Finishes include 5 hardwood or 5 Duraslat™ XG colours and 27 powder-coat finishes or a polished aluminium finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

Made In Australia

Sustainability

Certified Hardwood

All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials

We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Warranty

5-year warranty. View the [warranty](#) for more details.

Lead Time

6-8 weeks

Assembly & Delivery

Some basic assembly may be required to bolt modules together if using benches loose as a full ring (hardware supplied).

Loose footpad
Loose glides

How to Specify

Select your size
Select your batten finish
Select your frame finish
Select your pot and finish (if required)
Select your fixing type

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Duraslat™ XG

Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Additional Comments

Optional skate stoppers available to discourage skater damage to your furniture.
