URBAN BOLLARD

Timeless bollard design combines practical function with a clean aesthetic. The aluminium frame is available in 27 powder-coat finishes and polished.

Description

The Urban bollard features a cast aluminium head on a light weight extruded aluminium tube body with cast aluminium plate for surface or sub-surface fixing. The bollard offers a visual control for separating pedestrian and vehicular areas - it is not designed as a ram barrier but may be concrete or steel reinforced for added strength.

How to Specify

Select your body finish
Select your fixing type

Sustainability

Recycled Materials
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Powder Coat

Core
White (satin), Black (satin), Charcoal (satin), Palladium Silver (satin), Matt Black (matt), Pearl White (gloss)

152mm DIA x 1000mmH
Base plate 235mm DIA

Frame

Top: cast aluminium in a polished finish

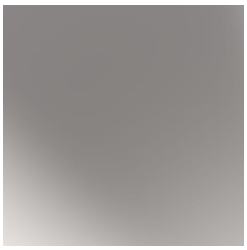

Body - Extruded aluminium in a powder-coat finish

URBAN BOLLARD

Made In	Australia
Lead Time	4-6 weeks
Assembly & Delivery	Shipped fully assembled on pallets.
Fixing Detail	Surface or sub-surface fixed by others. Anchors not included.
Care Instructions	**Care + Maintenance** **Powder-coat** Regular cleaning helps protect the long-term appearance of powder-coated finishes. Wash surfaces with warm water and a non-abrasive, pH-neutral detergent, using a soft cloth or brush, then rinse thoroughly. Avoid harsh solvents, abrasive cleaners and high-pressure washing, as these may damage the coating. In coastal, marine or industrial environments, increase cleaning frequency to minimise the build-up of salts and pollutants which can accelerate weathering.
Warranty	5-year warranty. View the warranty for more details.
Additional Comments	Optional red reflective tape to increase visibility.
