Simple, durable curved bench. Hardwood, Duraslat™ XG, aluminium battens with steel posts and base plates in 27 powder-coat or galvanised finishes.

Description	<p>The Verge curved bench is a simple, modular, highly durable design. Hardwood, Duraslat™ XG, aluminium battens work with cylindrical steel posts and circular base plates to add a functional and utilitarian feel to spaces you know are going to get their fair share of wear and tear. The modularity allows for snaking curve, full ring or shallow bend configurations to be created to break up linear spaces. It is ideal for seating around trees, along curved garden beds and walls. Finishes include hardwood or Duraslat™ XG colours and 27 powder-coat finishes or a galvanised finish.</p>
How to Specify	<p>Select your arc length Specify your radius Select your batten finish Select your frame finish Select your fixing type</p>
Sustainability	<p><b>Certified Hardwood</b> All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.</p> <p><b>Recycled Materials</b> We locally source our steel. It means we know it uses recycled content and is 100% recyclable.</p> <p><b>Duraslat™ XG</b> is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.</p> <p><b>Low Pollutants</b> Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).</p>

## Care Instructions

### Hardwood

#### Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

#### Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

### Duraslat™ XG

#### Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

### Powder-Coat

#### Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

## Warranty

5-year warranty. View the [warranty](#) for more details.

---

## Additional Comments

Curved benches are made to order to your specified radius and arc length. Drawings are issued for sign off prior to manufacture.
