PROSPECT TRUSS SEAT

Seating » Seats

Robust truss seat design. Battens in 5 hardwood and 5 Duraslat™ XG colours and an asymmetrical steel frame in 27 powder-coat or galvanised finishes.

Description	Featuring striking asymmetrical forms and robust materials that are based on our competition-winning designs for the Western Sydney Parklands Trust, the Prospect truss seat is ideal for parkland and urban environments. The functional and light appearance of the truss seat features an asymmetrical steel frame that grounds the design. Finishes include 5 hardwood or 5 Duraslat™ XG batten colours and 27 powder-coat finishes or a galvanised finish to suit many outdoor spaces.
How to Specify	Select your cantilever orientation Select your backrest length Select your batten finish Select your frame finish
Sustainability	<p>Certified Hardwood All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.</p> <p>Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable.</p> <p>Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.</p> <p>Low Pollutants Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).</p>

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Duraslat™ XG

Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty

5-year warranty. View the [warranty](#) for more details.

Additional Comments

Options: left or right-hand cantilever (when seated), optional armrests, and a partial or full backrest.
