NEXUS 60° BIN GENERAL WASTE

Modern, modular 60° general waste 50L litter bin design. Mix and match multipurpose compact laminates or solid surfaces with powder-coat colours.

Description

Nexus 60° Litter Bin combines modest modularity with organic form to create a highly versatile waste solution for contemporary interior environments. Designed to integrate seamlessly with other Nexus modular elements—including lounge seating, tables, planters, and additional bins—it allows for multiple configurations that transform everyday spaces into functional, central meeting points.

Perfect for shopping centre breakout zones, collaborative learning areas, transit hubs, and commercial lobbies, Nexus adapts to your needs with ease. Available in a wide range of durable materials, finishes, and colours, the Nexus 60° Litter Bin can be fully customised to suit your next interior project.

How to Specify

Select your configuration or create your own
Select your top finish
Select your frame finish

Sustainability

Certified Materials
We use multipurpose compact laminates and non-porous solid surfaces that carry internationally recognised Environmental Product Declarations (EPDs).

Recycled Materials
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Finishes

Bin Top
Multipurpose Compact Laminate 13mm | Laminex®

Solid Surfaces 12mm | Corian®

NEXUS 60° BIN GENERAL WASTE

Fixing Detail	Freestanding only - loose on glides. Modules are fixed together by ratchet connectors.
Care Instructions	Multipurpose Compact Laminates | Laminex® A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex, or Ajax Spray n Wipe spray cleaners. Do not use strong acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface. Solid Surfaces | Corian® Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean. For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge. Powder-Coat Finishes Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	2-year warranty. View the warranty for more details.
