Modern, modular 120° bin for general waste and recycling. Mix and match multipurpose compact laminates or solid surfaces with powder-coat colours.

Description

Nexus 120° Litter Bin is a modular solution designed for general waste and recycling within contemporary indoor environments. Featuring soft, organic lines and subtle angles, it connects seamlessly with other Nexus elements—such as lounge seating, planters, tables, and additional bins—to create dynamic configurations that transform shared spaces.

Ideal for shopping centre breakout zones, educational hubs, transit areas, and commercial lobbies, Nexus delivers flexibility with form. Available in a wide selection of durable materials, finishes, and colours, the Nexus 120° Litter Bin can be tailored to align with your next interior project.

Sustainability

Certified Materials
We use multipurpose compact laminates and non-porous solid surfaces that carry internationally recognised Environmental Product Declarations (EPDs).

Recycled Materials
We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Care Instructions

Multipurpose Compact Laminates | Laminex®

A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex, or Ajax Spray n Wipe spray cleaners.

Do not use strong acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.

Solid Surfaces | Corian®

Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean.

For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge.

Powder-Coat Finishes

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty

2-year warranty. View the [warranty](#) for more details.
