Compact single, double litter bin housings with hood. Panels in hardwood, Duraslat™ XG or v-groove compact laminate colours and powder-coat finishes.

Description

Designed with Australia’s most famous beach in mind, the Bondi single and double bin with a hood proves that litter bin housings can add to the aesthetics of outdoor public spaces. Its compact profile, curved corners, cut-out designs, plus a hood make it a sleek and versatile waste management option. Finishes include 5 hardwood, 5 Duraslat™ XG or v-groove compact laminate colours and 27 powder-coat finishes.

Sustainability

Certified Hardwood
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants
Our powder-coating process doesn’t emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).
