SORRENTO OUTDOOR BACK-TO-BACK SEAT

SORRENTO OUTDOOR BACK-TO-BACK SEAT

Modular seating with contrasting finishes and folded forms. Battens in Duraslat™ XG colours and aluminium frame in powder-coat finishes.

Description	Inspired by the Italian love of modern design, the Sorrento back-to-back seat is as much at home in the public spaces of Chicago as it is on boardwalks of the Mediterranean. The contrasting finishes, folded forms, and modular back-to-back seat design combine to create public spaces that draw the eye and challenge the status quo. A striking asymmetrical cut-out design on the backrest is visible from all directions adding to the unique visual aesthetics of the back-to-back seat. Finishes include battens in Duraslat™ XG colours and an aluminium frame in powder-coat finishes.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Additional Comments	The Sorrento backrest is perforated on both sides so the feature cut-outs are visible from all directions. To ensure easy cleaning, there is an open space below the backrest allowing debris pushed into the cut-outs to fall to the ground and be swept up. This is a nifty feature in areas which struggle with pigeons or seagulls.
