ATOMIK LEFT PARALLELOGRAM OTTOMAN

Seating » Ottomans

Modern, modular, left parallelogram ottoman design. Mix and match upholstery fabrics and configurations to create a range of custom seating options.

Description The Atomik left parallelogram ottoman forms part of the Atomik modular seating collection that offers a mix of upholstered ottomans and lounge seats together with planters, tables, and screens in a range of 13 geometric shapes. With flexibility and versatility in mind, multiple configurations of mixed-use pods can be created to suit small or large spaces. Together with a wide range of finishes, Atomik can be tailored to suit specific project requirements for use in shopping centres, hospitality, office break-out areas, commercial lobbies, universities, and schools.

How to Specify Select your configuration or create your own
Select your fit for purpose upholstery fabric

Sustainability Recycled Materials
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Finishes Upholstery Fabrics
Specify a [Baresque upholstery fabric](#) or supply your own to be approved by us to ensure it is fit for purpose.

Baresque

Bolster BO2 1400mmL Long bolster: 1.5mtrs

Optional Arm

Armrest - 0.8mtrs each

Frame

Internal Frame

Medium Density Fibreboard (MDF)

Steel legs elevate the upholstered form off the ground.

Made In

Australia

Lead Time

6-8 weeks

Assembly & Delivery

Assembly

Some simple assembly is required (by others) to connect modules - brackets fitted to the underside simply need to be turned and modules pushed together. See brochure for details. Backrests and arms are pre-fitted to the ottomans. A drawing will be supplied with the recommended connection order.

Delivery

Atomik is delivered to site in modules by furniture removalists.

Fixing Detail

Freestanding only - loose on glides.

Modules are fixed together by ratchet connectors.

Care Instructions

Baresque Upholstery Fabrics

Use a cloth with any of the following in preferred order of use:

1. Clear warm water
2. Mild solution of liquid detergent and warm water
3. Isopropyl Alcohol (rubbing alcohol)

Remove any detergent with a clean, damp cloth. Gently pat dry.

For more difficult stains, dampen a soft white cloth with a solution of household bleach (mix 10% bleach with 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration.

Do not use solvent based or concentrated abrasive cleaning agents, lacquer thinners or nail polish remover as these may cause discolouration over a period of time.

Always test in an inconspicuous area first.

Warranty

2-year warranty. View the [warranty](#) for more details.

Customisable

Atomik is made locally and can be tailored to suit your interior project. Select from a range of table top finishes such as Corian®, engineered stone and digital print on a variety of substrates, as well as custom screen perforations or custom metallic powder-coats and much more.

Botton + Gardiner can assist you with configuring your layouts. 2D or 3D drawings or kits of the modules are available.

Optional GPOs can be added to the modular pods to power them up as charging or working stations.

Additional Comments

Commercial-grade foam is used for padding and comfort.
