ATOMIK EQUILATERAL TRIANGLE PLANTER

Accessories » Planters

Modular, equilateral triangle planter design. Mix and match a wide range of finishes and configurations to create a range of custom pod options.

Description

The Atomik equilateral triangle planter forms part of the Atomik modular seating collection that offers a mix of upholstered ottomans together with planters, tables, and screens in a range of 13 geometric shapes. With flexibility and versatility in mind, multiple configurations of mixed-use pods can be created to suit small or large spaces. Together with a wide range of finishes, Atomik can be tailored to suit specific project requirements for use in shopping centres, hospitality, office break-out areas, commercial lobbies, universities, and schools.

How to Specify

Select your configuration or create your own
Select your surface finish
Select your frame finish

Sustainability

Certified Materials

We use multipurpose compact laminates and non-porous solid surfaces that carry internationally recognised Environmental Product Declarations (EPDs).

Recycled Materials

We locally source our steel and aluminium. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Finishes

Planter Top

Multipurpose Compact Laminate 13mm | [Laminex®](#)

Licorice Linea, Natural Walnut, Elegant Oak, Classic Oak, Calm Oak, Seasoned Oak, Black, Charcoal, Lava Grey, Limed Concrete, Figured Limestone, White Valencia

Solid Surfaces 12mm | [Corian®](#)

Care Instructions

Multipurpose Compact Laminates | Laminex®

A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex, or Ajax Spray n Wipe spray cleaners.

Do not use strong acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.

Solid Surfaces | Corian®

Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean.

For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge.

Powder-Coat Finishes

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty

2-year warranty. View the [warranty](#) for more details.

Customisable

Atomik is made locally and can be tailored to suit your interior project. Select from a range of table top finishes such as Corian®, engineered stone and digital print on a variety of substrates, as well as custom screen perforations or custom metallic powder-coats and much more.

Botton + Gardiner can assist you with configuring your layouts. 2D or 3D drawings or kits of the modules are available.

Optional GPOs can be added to the modular pods to power them up as charging or working stations.
