WHITEHAVEN BIN + CLEANERS CUPBOARD

Bins » Bin Stations

Double bin stations with tray return, cleaner’s cupboard. 120L. Stainless steel frame. Laminate, v-groove compact laminate options.

Description	<p>Whitehaven Bin Station Double + Cupboard is the ultimate waste solution for food courts and public dining areas—trusted for decades and proven in high-traffic environments. Its robust stainless-steel frame protects against trolley damage, ensuring long-term durability and performance.</p> <p>Available in an extensive range of sizes, Whitehaven is finished in your choice of laminate or v-groove compact laminate. An optional cleaner’s storage cupboard enhances functionality, making it as practical for staff as it is convenient for users. Designed with a built-in tray return, it helps keep communal dining spaces clean, organised, and welcoming.</p>
How to Specify	Select your panel finish - laminate or V-groove compact
Sustainability	<p>Certified Materials We use laminates that carry internationally recognised Environmental Product Declarations (EPDs).</p> <p>Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable.</p> <p>Low Pollutants Our powder-coating process doesn’t emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).</p>

Care Instructions

Laminates | Laminex®

A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex or Ajax Spray n Wipe spray cleaners.

Do not use strongly acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.

Stainless Steel

Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning.

When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish.

Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits.

Use “Star Brite Rust Stain Remover” to remove tea staining and “Star Brite Chrome & Stainless Steel Polish” to protect the surface after cleaning.

Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired.

Never use abrasive materials such as scouring pads, steel wool or metallic scrapers.

For stubborn stains or where “deep cleaning” is required, a mild abrasive cleaner or rust remover may be required.

Warranty

5-year warranty. View the [warranty](#) for more details.

Additional Comments

Heavy duty SHS steel frame ensures Whitehaven will stand the test of time in heavy duty environments.

D handles for easy opening with commercial strength magnetic catches.

Heavy duty butt hinges will keep your doors level and issue free throughout the life of the bin.
