Armchair feature piece with a wrap-around steel frame. Vertical lines contrast with horizontal upholstered planes. Mix and match upholstery fabrics.

Description	Graphic vertical lines contrast beautifully with horizontal upholstered planes in the Taper armchair making it ideal for a variety of commercial interiors. Enhance the effect by powder-coating the frame in a contrast to your upholstery or opt for a more indulgent metallic finish. The wrap-around frame not only looks great, but has the added benefit of protecting upholstery from rips and tears in high traffic environments.
