Designed By: Botton + Gardiner

Applications: Indoor

**Tables** » Table Bases

A classic pedestal disc table base that is highly versatile and customisable. Steel base in 27 powder-coat colours or a satin polished finish.

#### Description

Fair Dinkum is a classic pedestal disc table base that is highly versatile and easy to style in any indoor commercial space, which makes it a popular choice amongst designers. Locally made in-house and with a short lead time, Fair Dinkum is easily customisable, ideal for food courts, hospitality, education, alfresco dining, and work breakout spaces. The steel base is available in 27 powder-coat colours or a satin polished finish that can be paired with a range of table top shapes and finishes.

#### How to Specify

Select your base size Select your base height Select your top size Select your finishes

#### Sustainability

Certified Materials

We use multipurpose compact laminates and non-porous solid surfaces that carry internationally recognised Environmental Product Declarations (EPDs).

Recycled Materials

We locally source our steel It means we know it uses recycled content and is 100% recyclable.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

#### Care Instructions

#### Multipurpose Compact Laminates | Laminex®

A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex, or Ajax Spray n Wipe spray cleaners.

Do not use strong acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.

#### Solid Surfaces | Corian®

Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean.

For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge.

#### Powder-Coat Finishes

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

| Warranty     | 2-year warranty. View the <u>warranty</u> for more details.                                                   |  |  |
|--------------|---------------------------------------------------------------------------------------------------------------|--|--|
