Contemporary, minimalist seat design, featuring 13 design options. Highly durable, slim aluminium profile available in 27 powder-coat colours.

Description	Combining a minimalist, slim-line aluminium profile with an industrial-grade powder-coat finish, the Botanist seat cleverly conceals the true strength and durability of each piece for indoors or out. Designed by world-renowned creatives, including Karim Rashid (Orikami), Yves Behar (Pixel Burst) and Dario Antonioni (Flow), the Botanist seat is available in an array of cut-out designs and powder-coat colours to suit your project requirements.

Additional Comments

Powder-coat recommendation is to use a textured or matt finish. The large flat surface areas of powder-coating can highlight imperfections or uneven surfaces when a gloss or satin finish is used.

All Botanist pieces feature a strong support structure and anti-theft security feet.

Outdoor use. Suitable for marine locations with suitable fixing hardware.
