BOWEN BIN

Bins » Bin Stations

Compact single bin stations with tray return, ideal for food courts. 120L capacity. Wide range of compact laminate options available.

| | |
|----------------|--|
| Description | <p>Bowen Bin Station Single combines a compact footprint with a clean, minimal aesthetic—ideal for indoor or undercover environments such as food courts, canteens, and quick-service outlets. Designed for hygienic, contact-free waste disposal, Bowen also features a convenient tray return, supporting smooth operation in high-traffic areas.</p> <p>Choose from a range of limiter chutes and configure as a single unit to suit your space. Finished in a wide selection of compact laminate colours and textures, Bowen delivers a practical, streamlined solution at a competitive price point.</p> |
| How to Specify | <p>Select your chute type - open, garbage or recycling</p> <p>Select your body colour</p> |
| Sustainability | <p>Certified Materials</p> <p>We use laminates that carry internationally recognised Environmental Product Declarations (EPDs).</p> <p>Recycled Materials</p> <p>We locally source our steel. It means we know it uses recycled content and is 100% recyclable.</p> |
| Material | <p>Options:</p> <p>Limiter</p> <p>Open, general waste or recycling</p> <p>Body</p> <p>Compact laminate</p> |
| Dimensions | <p>560mmW x 640mmD x 1380mmH</p> <p>Garbage limiter 300mmWx150mm H</p> <p>Recycling limiter 150mm DIA</p> <p>Internal chute 300mm SQ</p> |
| Capacity | <p>1 x 120L wheelie bin included</p> |

|---------------------|--|
| Signage | <p>Etch & Fill Signage options.</p> <p>Engraved enamel filled signage is included on units with the garbage or recycling limiter panels for sorting at point of disposal, saving time and cost.</p> <p>Optional vinyl decals can be added to the open chute on request.</p> |
| Made In | Australia |
| Lead Time | 6-8 weeks |
| Assembly & Delivery | Shipped fully assembled. |
| Fixing Detail | Surface fixed by others. Anchors not included. |
| Care Instructions | <p><u>Laminates Laminex®</u></p> <p>A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex or Ajax Spray n Wipe spray cleaners.</p> <p>Do not use strongly acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.</p> <p><u>Stainless Steel</u></p> <p>Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning.</p> <p>When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish.</p> <p>Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits.</p> <p>Use “Star Brite Rust Stain Remover” to remove tea staining and “Star Brite Chrome & Stainless Steel Polish” to protect the surface after cleaning.</p> <p>Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired.</p> <p>Never use abrasive materials such as scouring pads, steel wool or metallic scrapers.</p> <p>For stubborn stains or where “deep cleaning” is required, a mild abrasive cleaner or rust remover may be required.</p> |

|---------------------|--|
| Warranty | 5-year warranty. View the warranty for more details. |
| Customisable | Finishes and signage are customisable to your project. Please get in touch with our team for more details. |
| Additional Comments | <p>The contact-free waste disposal via the large opening or fixed limiter panels is hygienic and keeps customer safety front of mind.</p> <p>The compact body is non-absorbent, preventing mop water from waterlogging and deteriorating the bin panels.</p> <p>Heavy duty butt hinges will keep your doors level and issue-free throughout the life of the bin.</p> |
