Unique, compact, single bin for outdoor commercial spaces. 70L capacity. Powder-coated steel frame, aluminium hood. 4 perforation patterns.

Description	<p>Maroubra Litter Bin features a compact, streetscape-ready design built to withstand the high demands of public spaces. Its robust construction and refined detailing make it a reliable choice for outdoor commercial environments.</p> <p>Distinctive perforation patterns add visual appeal while providing contrast against the galvanised inner liner. The broken surface helps deter graffiti and is finger-safe for children. A hinged hood prevents rain ingress and discourages scavenging wildlife. Choose from 4 perforation patterns and powder-coat colours to create a custom finish that suits your space.</p>
