Unique, compact, single bin for commercial spaces, indoors or undercover. 70L capacity. Powder-coated steel frame. 4 perforation patterns.

Description	<p>Maroubra Capsule Bin offers a compact, durable solution for waste collection in high-traffic public spaces, both indoors and in undercover outdoor areas. Its streamlined design—with no hood—maintains clean sight lines, while the stable base and protective glides ensure safety and floor preservation.</p> <p>Perforation patterns add visual interest and contrast beautifully with the galvanised inner liner, while also deterring graffiti and providing a finger-safe surface for added peace of mind. Available in plain or 4 perforation patterns and finished in your choice of powder-coat colours, Maroubra is a practical, stylish addition to any commercial setting.</p>

Care Instructions	<p>Powder-Coat</p> <p>Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.</p> <p>Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.</p> <p>Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.</p> <p>Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.</p>
Warranty	<p>5-year warranty. View the warranty for more details.</p>
Customisable	<p>The bin body can be left plain or perforated.</p> <p>Customise the base to your brand colours or waste channels.</p> <p>Install bins in pairs to create general waste and recycling units.</p> <p>Options to add logos as part of the perforations on your single bins for extra branding.</p>
Additional Comments	<p>The square freestanding base is stable for loose use, with non-scratching glides to protect flooring.</p> <p>The galvanised liner won't melt if lit cigarette butts are accidentally thrown into the bin.</p> <p>The perforated body not only casts distinctive shadowing and contrasts with the galvanised inner liner but also deters marker vandalism.</p> <p>Perforation designs are child safe, conforming to AS4685.1 finger entrapment guidelines on play equipment.</p> <p>The low profile is ideal for retail locations to maintain tenancy sight lines.</p>
