Connected 2-seater table setting. Hardwood or Duraslat™ XG battens with a cast aluminium frame in 27 powder-coat colours or satin finish

Description

With unifying, considered design details, the Contour All-In-One Study seat is a key piece in the contemporary Contour collection — commercial outdoor furniture built to withstand the diverse demands of public space.

Designed as a singular furniture solution, the **Contour All-in-One Study seat** merges bench seating and table surface into a single flowing form. Soft, rounded edges and integrated design language ensure cohesion with the wider Contour suite.

The Contour All-In-One Study seat is available in Hardwood or Duraslat™ XG battens, supported by a robust cast aluminium frame offered in powder coat colours or a satin finish. Optional armrests enhance accessibility and comfort for inclusive public use.

Its cohesive design language, evident in its streamlined profile and softened edges brings an organic sensibility, making it an ideal choice for projects seeking durable, thoughtful furniture solutions.

Contour Straight Bench in select finishes is part of b+g's **Essential Collection** delivering favourable pricing and leadtimes.

Select from Core powder coat colours and battens in hardwood blackbutt or Duraslat™ XG to qualify.

How to Specify

Select your batten finish
Select your frame finish
Select optional backrest
Select your fixing type

Sustainability

Certified Hardwood
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials
We locally source our aluminium and steel. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Assembly & Delivery	Shipped fully assembled on pallets.
Fixing Detail	Fixed Surface fixed by others. Anchors not included.
Care Instructions	Hardwood Cleaning Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth. Finish Our hardwood is finished with Sikkens Cetol BLX-Pro, a water-based, semi-transparent stain that protects the timber from weathering and enhances its grain and colour. To maintain, clean and lightly sand the timber, then brush on 2–3 coats of Cetol BLX-Pro in the direction of the grain every 12 months, or sooner if it starts to grey. Duraslat™ XG Cleaning Simply wash down occasionally. Do not use high pressure cleaners. Powder-Coat Cleaning Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	5-year warranty. View the warranty for more details.
Customisable	As this item is made to order locally, custom lengths are available on request.
Additional Comments	Hardwood is treated with a UV-resistant oil finish. Considered design details include concealed fixings and integrated anchor points for clean lines.
