TORQUAY BIN STATION DOUBLE + CLEANING CUPBOARD

Meet your high traffic environment demands with the Bin Station Double plus Cleaners Cupboard. It allows organised storage for cleaning supplies and enables swift responses to spills and waste incidents.

Description

Introducing the Torquay Collection, a versatile and configurable waste management solution designed to meet the needs of various commercial spaces. Whether you're outfitting a shopping centre, school, university, or park, this bin collection provides the perfect blend of functionality, durability, and style.

Personalise your experience by choosing between a capsule, a shroud or a hood for waste disposal. Choose from powder-coat colours, allowing you to match the bin to your interior design perfectly. Whether you prefer a subtle, neutral tone or a vibrant pop of colour, there's a finish to suit your style.

How to Specify

1. Lid type: Capsule, Shroud or Hood
2. Powder-coat colour - see range
3. Signage - Small or Large
4. Panels - Solid or Perforated (front + back)
5. Add a limiter when using Hood design
6. Add a planter

Sustainability

Recycled Materials

We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Material

Options:

Lid

Stainless steel, powder-coated. Capsule or Shroud. Optional limiter available.

Body

Glavanised steel, powder-coated, solid or perforation (front + back)

Signage	**Small or Large Bib signage in sheet metal with Powder-coating.** Adding signage to a commercial bin offers several benefits that enhance both functionality and user experience. Signage clearly communicates the purpose of each bin, such as general waste, recycling, or organics, helping users quickly identify the correct bin for their waste as can be used to educate users about what materials are recycled or compostable, fostering a culture of sustainability. Botton + Gardner designed options to better serve aesthetics and improve waste segregation with a stainless steel powder-coated screen enhancing the icons and defined lines available in small and large sizes. Please see below our recommendations for this collection: Bold Powder-Coat Colours General Waste: Lobster Recycling: Moonlight Organics: Leaf Signature Powder-Coat Colours: General Waste: Territory Red Recycling: Paperbarck Organics: Mangrove
Made In	Australia
Lead Time	4-6 weeks
Assembly & Delivery	Ships fully assembled on pallet.
Fixing Detail	All Torquay Bins require floor fixing except the Litter Bin which can be free-standing. Floor fixed by others (anchors not included)
Care Instructions	**Care + Maintenance** **Powder-coat** Regular cleaning helps protect the long-term appearance of powder-coated finishes. Wash surfaces with warm water and a non-abrasive, pH-neutral detergent, using a soft cloth or brush, then rinse thoroughly. Avoid harsh solvents, abrasive cleaners and high-pressure washing, as these may damage the coating. In coastal, marine or industrial environments, increase cleaning frequency to minimise the build-up of salts and pollutants which can accelerate weathering.

TORQUAY BIN STATION DOUBLE + CLEANING CUPBOARD

Warranty	5-year warranty. Visit baresque.com.au/warranty for complete details.
