## Signage

Adding signage to a commercial bin offers several benefits that enhance both functionality and user experience. Signage clearly communicates the purpose of each bin, such as general waste, recycling, or organics, helping users quickly identify the correct bin for their waste as can be used to educate users about what materials are recycled or compostable, fostering a culture of sustainability.

Botton + Gardner designed options to better serve aesthetics and improve waste segregation with a stainless steel powder-coated screen enhancing the icons and defined lines available in small and large sizes.

Please see below our recommendations for this collection:

### Bold Powder-Coat Colours

General Waste: Lobster  
Recycling: Moonlight  
Organics: Leaf

### Signature Powder-Coat Colours:

General Waste: Territory Red  
Recycling: Paperbarck  
Organics: Mangrove

## Made In

Australia

## Lead Time

Essentials Collection Finishes 3-4 weeks  
All Other Finishes 4-6 weeks

## Assembly & Delivery

Shipped fully assembled.

## Fixing Detail

All Torquay Bins require floor fixing except the Litter Bin which can be free-standing. Floor fixed by others (anchors not included)

## Care Instructions

Powder-Coat  
Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
