BONDI BIN HOUSING SINGLE

Bins » Bin Housings

Compact single bin housings with hood. Panels in hardwood or Duraslat™ XG and powder-coat finishes.

Description

Bondi Bin Housing Single is a standout from the Bondi Collection, designed to bring style and functionality to outdoor public spaces. Inspired by Australia’s most iconic beach, its compact profile, curved corners, and sleek cut-out details create a modern, refined waste management solution. Featuring a protective hood, it’s ideal for parks, streetscapes, and urban environments.

Personalise your look with a choice of hardwood colours or Duraslat™ XG colours, paired with an aluminium frame finished in your choice of powder-coat colours. Whether you’re seeking a clean coastal look or a bold architectural statement, Bondi offers a stylish and practical solution for any outdoor space.

Sustainability

Certified Hardwood
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world’s largest forestry certification system.

Recycled Materials
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants
Our powder-coating process doesn’t emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).
