Bondi Bin Housing Collection

# BONDI BIN HOUSING DOUBLE

Bins » Bin Housings

---

Compact double bin housings with hood. Panels in hardwood or Duraslat™ XG and powder-coat finishes.

---

## Description

**Bondi Bin Housing Double** is a standout from the Bondi Collection, designed to bring style and functionality to outdoor public spaces. Inspired by Australia's most iconic beach, its compact profile, curved corners, and sleek cut-out details create a modern, refined waste management solution. Featuring a protective hood, it's ideal for parks, streetscapes, and urban environments.

Personalise your look with a choice of hardwood colours or Duraslat™ XG colours, paired with an aluminium frame finished in your choice of powder-coat colours. Whether you're seeking a clean coastal look or a bold architectural statement, Bondi offers a stylish and practical solution for any outdoor space.

---

## How to Specify

Select your capacity - 80L, 120L, 240L  
Select your body colour  
Select your feature panel design  
Select your feature panel colour  
Select your fixing type

---

## Sustainability

### Certified Hardwood

All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

### Recycled Materials

We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

### Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

## Care Instructions

### Hardwood

#### Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

#### Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

### Duraslat™ XG

#### Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

### Powder-Coat

#### Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

## Warranty

5-year warranty. View the [warranty](#) for more details.

---

## Customisable

Various door panels and an extensive colour selection is available making Bondi flexible to your style. We can customise signage to your requirements.

---

## Additional Comments
