BONDI CAPSULE BIN SINGLE

Bins » Bin Housings

Compact capsule single bin housing for undercover. Panels in hardwood, Duraslat™ XG, powder-coat finishes.

Description

Bondi Capsule Bin Single is inspired by Australia’s most iconic beach, proving that litter bin housings can enhance—not detract from—the aesthetics of outdoor undercover public spaces. Its compact profile, curved corners, and perforation patterns create a sleek, modern silhouette suited to coastal and urban environments alike.

Also available in Double configuration, Bondi offers flexibility without compromising on style. Finishes include your choice of hardwood, Duraslat™ XG, and powder-coat colours, allowing you to tailor the look to suit your space.

Sustainability

Certified Hardwood
All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world’s largest forestry certification system.

Recycled Materials
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials.

Low Pollutants
Our powder-coating process doesn’t emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Care Instructions	<p><u>Hardwood</u></p> <p>Cleaning</p> <p>Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.</p> <p>Oiling</p> <p>Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.</p> <p>To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.</p> <p><u>Duraslat™ XG</u></p> <p>Cleaning</p> <p>Simply wash down occasionally. Do not use high pressure cleaners.</p> <p><u>Powder-Coat</u></p> <p>Cleaning</p> <p>Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.</p> <p>Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.</p> <p>Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.</p> <p>Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.</p>
Warranty	5-year warranty. View the warranty for more details.
