LEURA BIN HOUSING DOUBLE

Detailed double, bin housings with a hood for outdoor use. Panels featuring a perforation pattern design in a powder-coat finishes.

Description

Leura Bin Housing Double offers durable, stylish, and practical waste management solution for streetscapes, parks, campuses, and commercial spaces. With its exposed steel frame, open sides, external hinges, and compression lock for easy access, it combines smart functionality with strong 360° visual appeal. Also available in Single capacity.

Customise your look with modern perforation patterns, a choice of a stainless steel or powder-coated steel frame, and an aluminium hood finished in your choice of powder-coat colours. Whether you're aiming for a contemporary urban feature or a streamlined, sophisticated addition to your space, Leura delivers flexibility, style, and performance.

How to Specify

Select your capacity - 120 or 240L
Select your feature panel design
Select your feature panel powder-coat colour
Select your hood powder-coat colour
Select your frame finish and powder-coat colour

Sustainability

Recycled Materials
We locally source our steel and aluminium. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).

Fixing Detail	Surface fixed by others. Anchors not included.

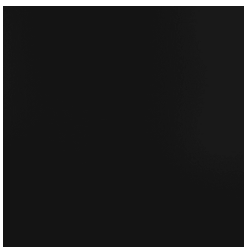

LEURA BIN HOUSING DOUBLE

Care Instructions	Powder-Coat Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents. Stainless Steel Wash the surface regularly using warm water containing soap or mild detergents and rinse the surface with fresh water after cleaning. When polishing the surface with a soft dry cloth to ensure all moisture is removed, follow the direction of the grain finish. Use a brush or soft damp cloth to remove loose deposits. Use a cream cleanser and soft cloth for difficult deposits. Use “Star Brite Rust Stain Remover” to remove tea staining and “Star Brite Chrome & Stainless Steel Polish” to protect the surface after cleaning. Never use cleaners containing harsh abrasives or high bleach contents. Prolonged contact with chlorine-based cleaners will cause surface pitting, which cannot be repaired. Never use abrasive materials such as scouring pads, steel wool or metallic scrapers. For stubborn stains or where "deep cleaning" is required, a mild abrasive cleaner or rust remover may be required.
Warranty	5-year warranty. View the warranty for more details.
Customisable	Leura is locally made and customisable to your requirements.
